Stefan van Stuyvenberg	10
Bruce Wardsmith	8
Darcy Ogada	8
Mark Dixon	8
Washington Wachira	7
Steven Evans	5
Shayne Dalton	2
Andrew Pearson	1

Since our last update for the month of November we have received an additional 1,081 records via the Android mobile app. All users and their respective contributions for December are listed in the table to the left. During December 241 surveys were carried out using the app which amounted to in excess of 4,200 km being travelled over 6.8 days.

Alongside this update we are also publishing the ARDB's annual review for 2014 which can be downloaded from:

<http://www.habitatinfo.com/ardb-annual-review-for-2014/>

We hope you had a great holiday and look forward to receiving your data during 2015!

Best wishes,

Tim, Rob & the ARDB team
